BEAUTIFUL DREAMS

RRR 32

DESTRUKTIONEN

VOX POPULI

Kansas Outset

CHEERLESS MORNING

(jimmy & örkkyy) A1

I wake in jail, in some corner
awful shit-taste, is cold
cheerless morning
out at seven a'clock, stuffs from
a jail-guard
it's made game of me, I'm lucky,
I can go away
cheerless morning

DOG IS BETTER POLICE

(jimmy & örkkyy) A2

dog is more beautiful than police
dog is more sensible than police
dog is better
dog is better than police
I would rather fuck a dog than a police
police is uglier than dog
police is more stupid than dog
police is worse
police is worse than a dog

FRONT PAGE (jimmy) A6

a communist and a nazi
were walking in a market place
asking from each other
which country will be ruined
... who will be killed today
... who will be persecuted today
... why don't we go to hospital
communists and nazis I hate you
you all are same kind of piss-heads

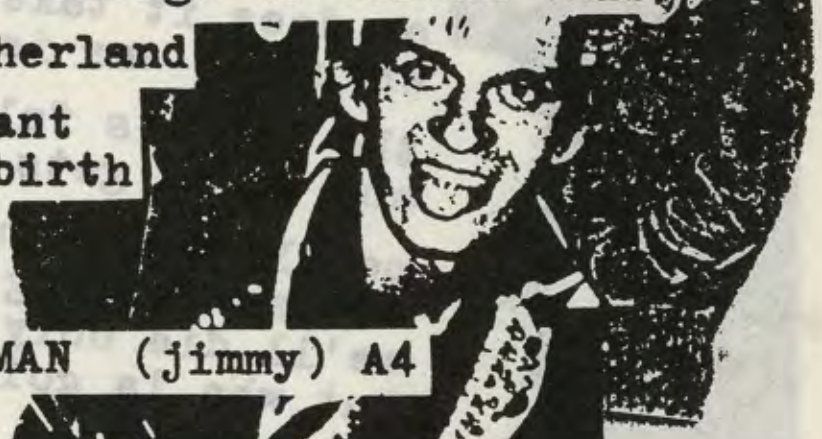

HOME, RELIGION, FATHERLAND (jimmy & örky) A3

war-memorials
someone shouts iron to the front
priests bless the soldiers
someone has strength enough to defend this

home, religion, fatherland

what is more important
to kill or to give birth
war ruins homes
war kills innocents

ARMY CANNOT MAKE A MAN (jimmy) A4

you must go to army
a law says so as you become a man so
you learn to kill

army cannot make a man - today
- no more

if you don't go to army
you'll be a woman
what does it matter
if realizes things

i'm not going to army to bow marks
you must to worship dictators

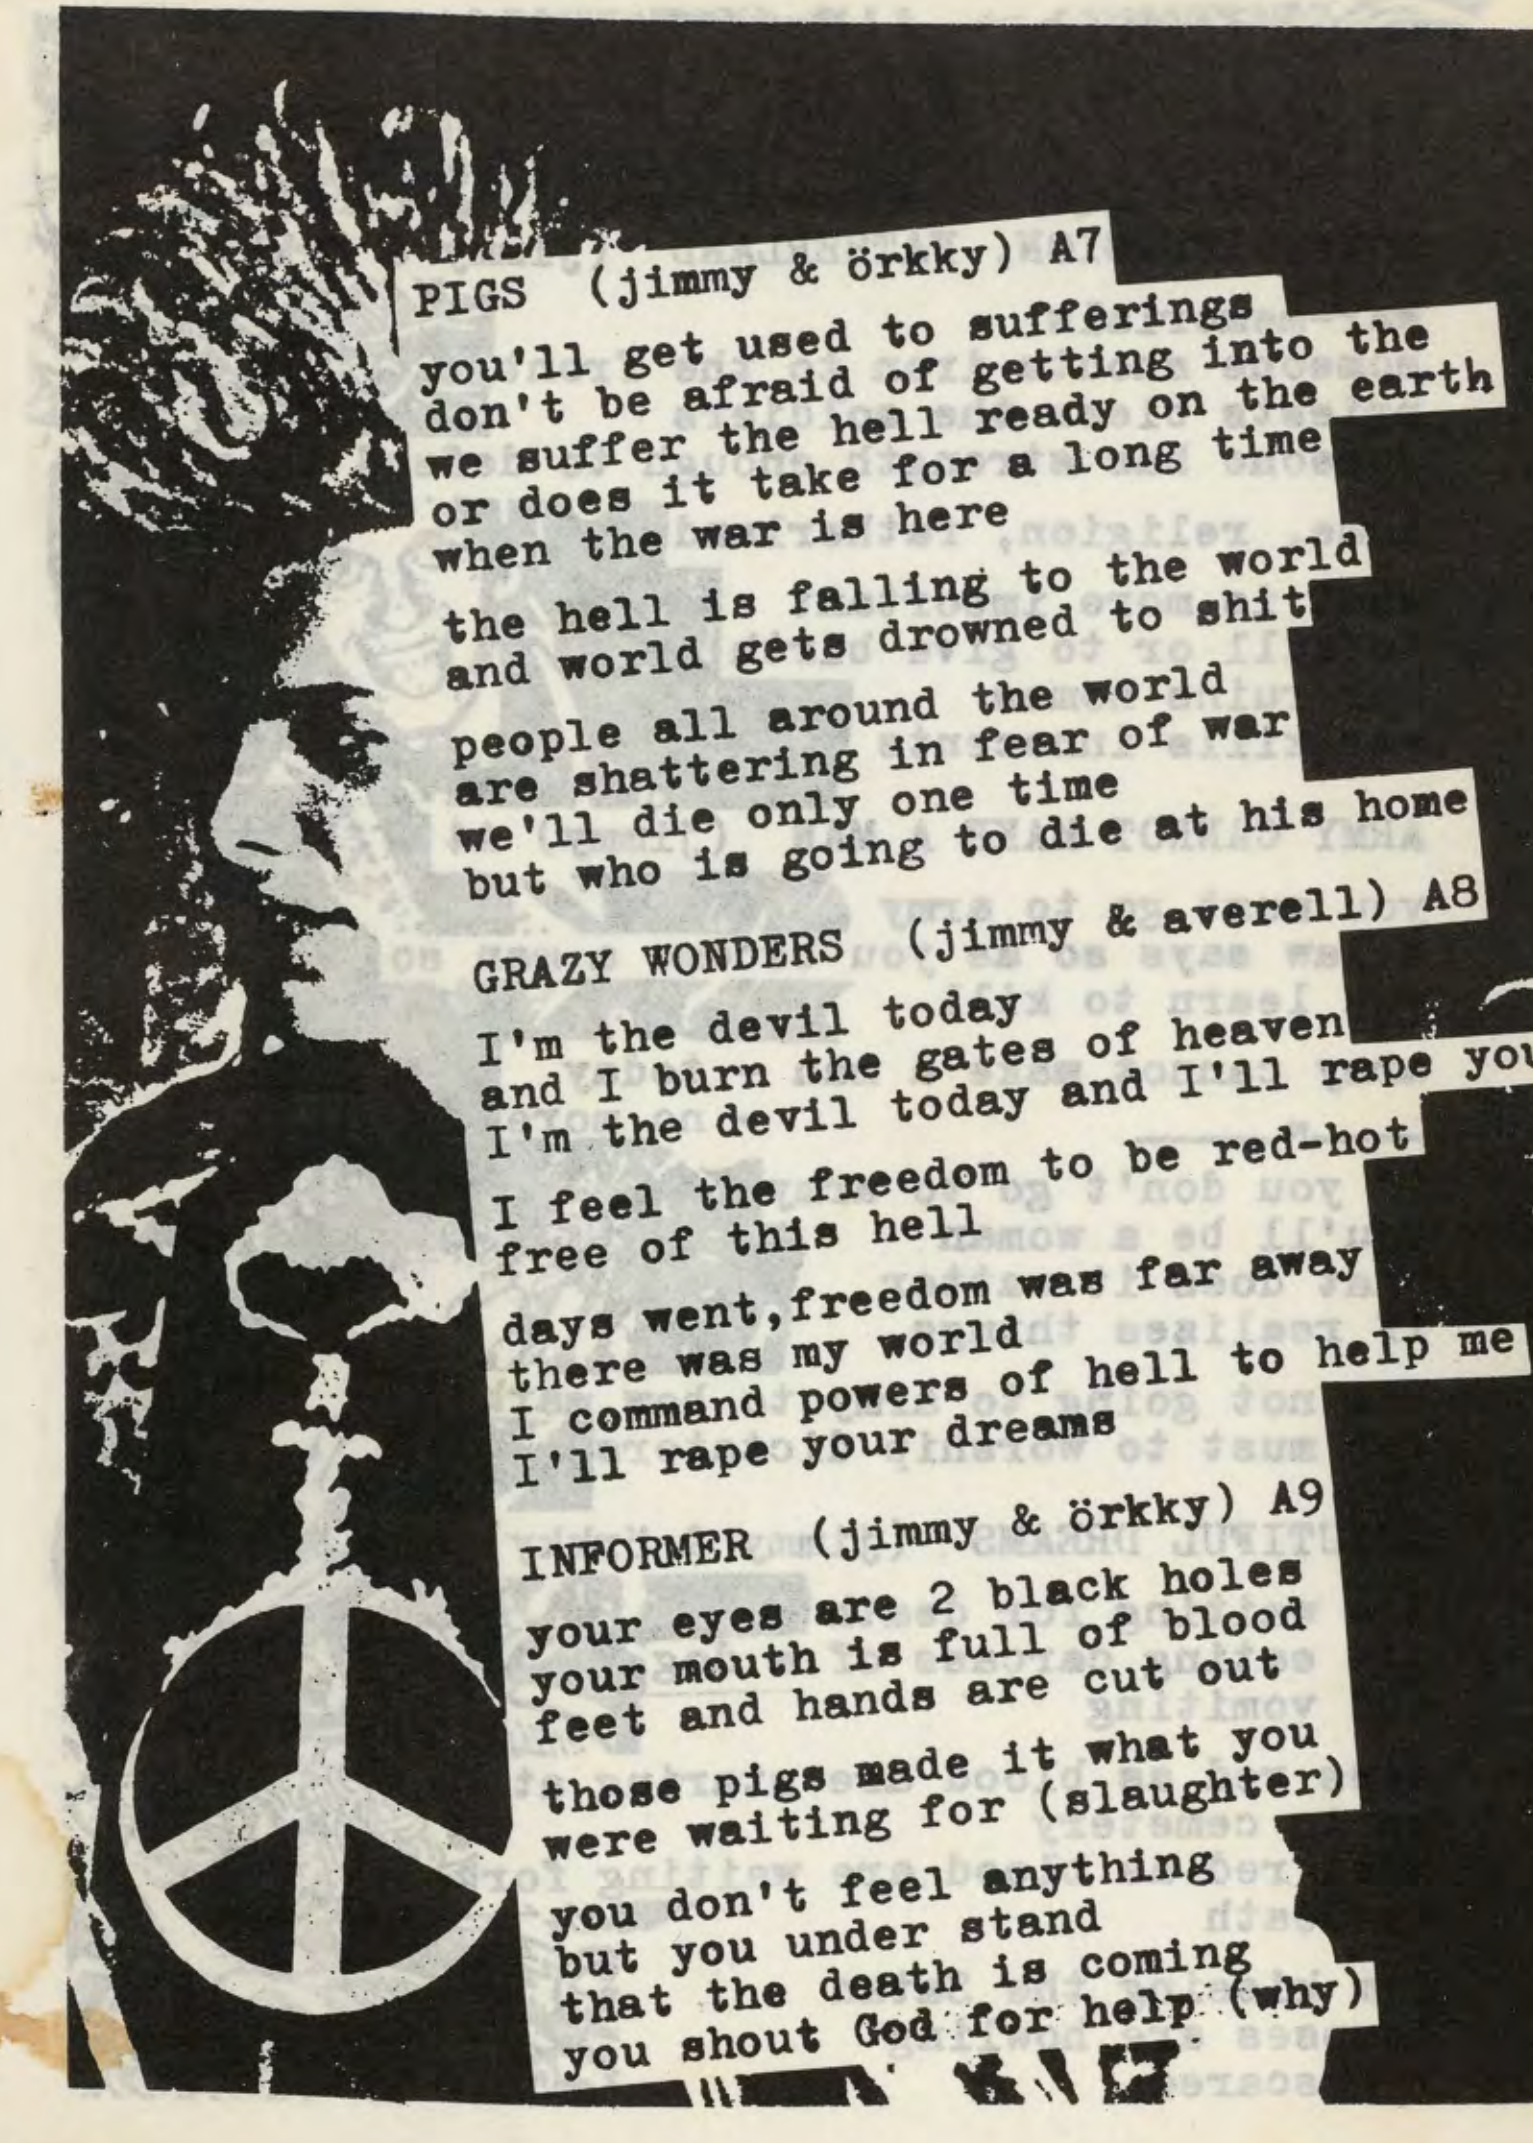

BEAUTIFUL DREAMS (jimmy & örky) A5

I'm waiting for death
I'm eating carcass of a dog
and vomiting

eyes red as blood are staring at
me in cemetery
eyes red as blood are waiting for
my death

I'm kissing the Satan
corpses are howling
I'm scared

PIGS (jimmy & örkký) A7

you'll get used to sufferings
don't be afraid of getting into the
we suffer the hell ready on the earth
or does it take for a long time
when the war is here

the hell is falling to the world
and world gets drowned to shit

people all around the world
are shattering in fear of war
we'll die only one time
but who is going to die at his home

GRAZY WONDERS (jimmy & averell) A8

I'm the devil today
and I burn the gates of heaven
I'm the devil today and I'll rape you

I feel the freedom to be red-hot
free of this hell

days went, freedom was far away
there was my world

I command powers of hell to help me
I'll rape your dreams

INFORMER (jimmy & örkký) A9

your eyes are 2 black holes
your mouth is full of blood
feet and hands are cut out

those pigs made it what you
were waiting for (slaughter)

you don't feel anything
but you understand
that the death is coming
you shout God for help (why)

PIG-LARS (jimmy & örkkky) A10

Lars is some fucking nazi-major
he wants all good guys to the army
he doesn't understand that I have facts

pig-lars

lars should be hewed really well
in spite of he is an 'important' person
to first front for gunfire to be eaten
the pig should be passed on

pig-lars

pig-lars, in time mars

TOO PURE IN HEART (örkkky-anssi-henna) A11

you are too pure in heart
to understand my businesses
you are trained at school to think
and now you are teaching others

what are you to refuse me
what are you to order me

you make me ill
more ill than ever
i would like to vomit all out
what you have fed to me

what...

you point at me
in the street when I kiss
although you lead a loose life at home
with friends of your wife

PIG-IARS (Jimmy & Verell) A70

MONSTER BABY (jimmy & averell) B2

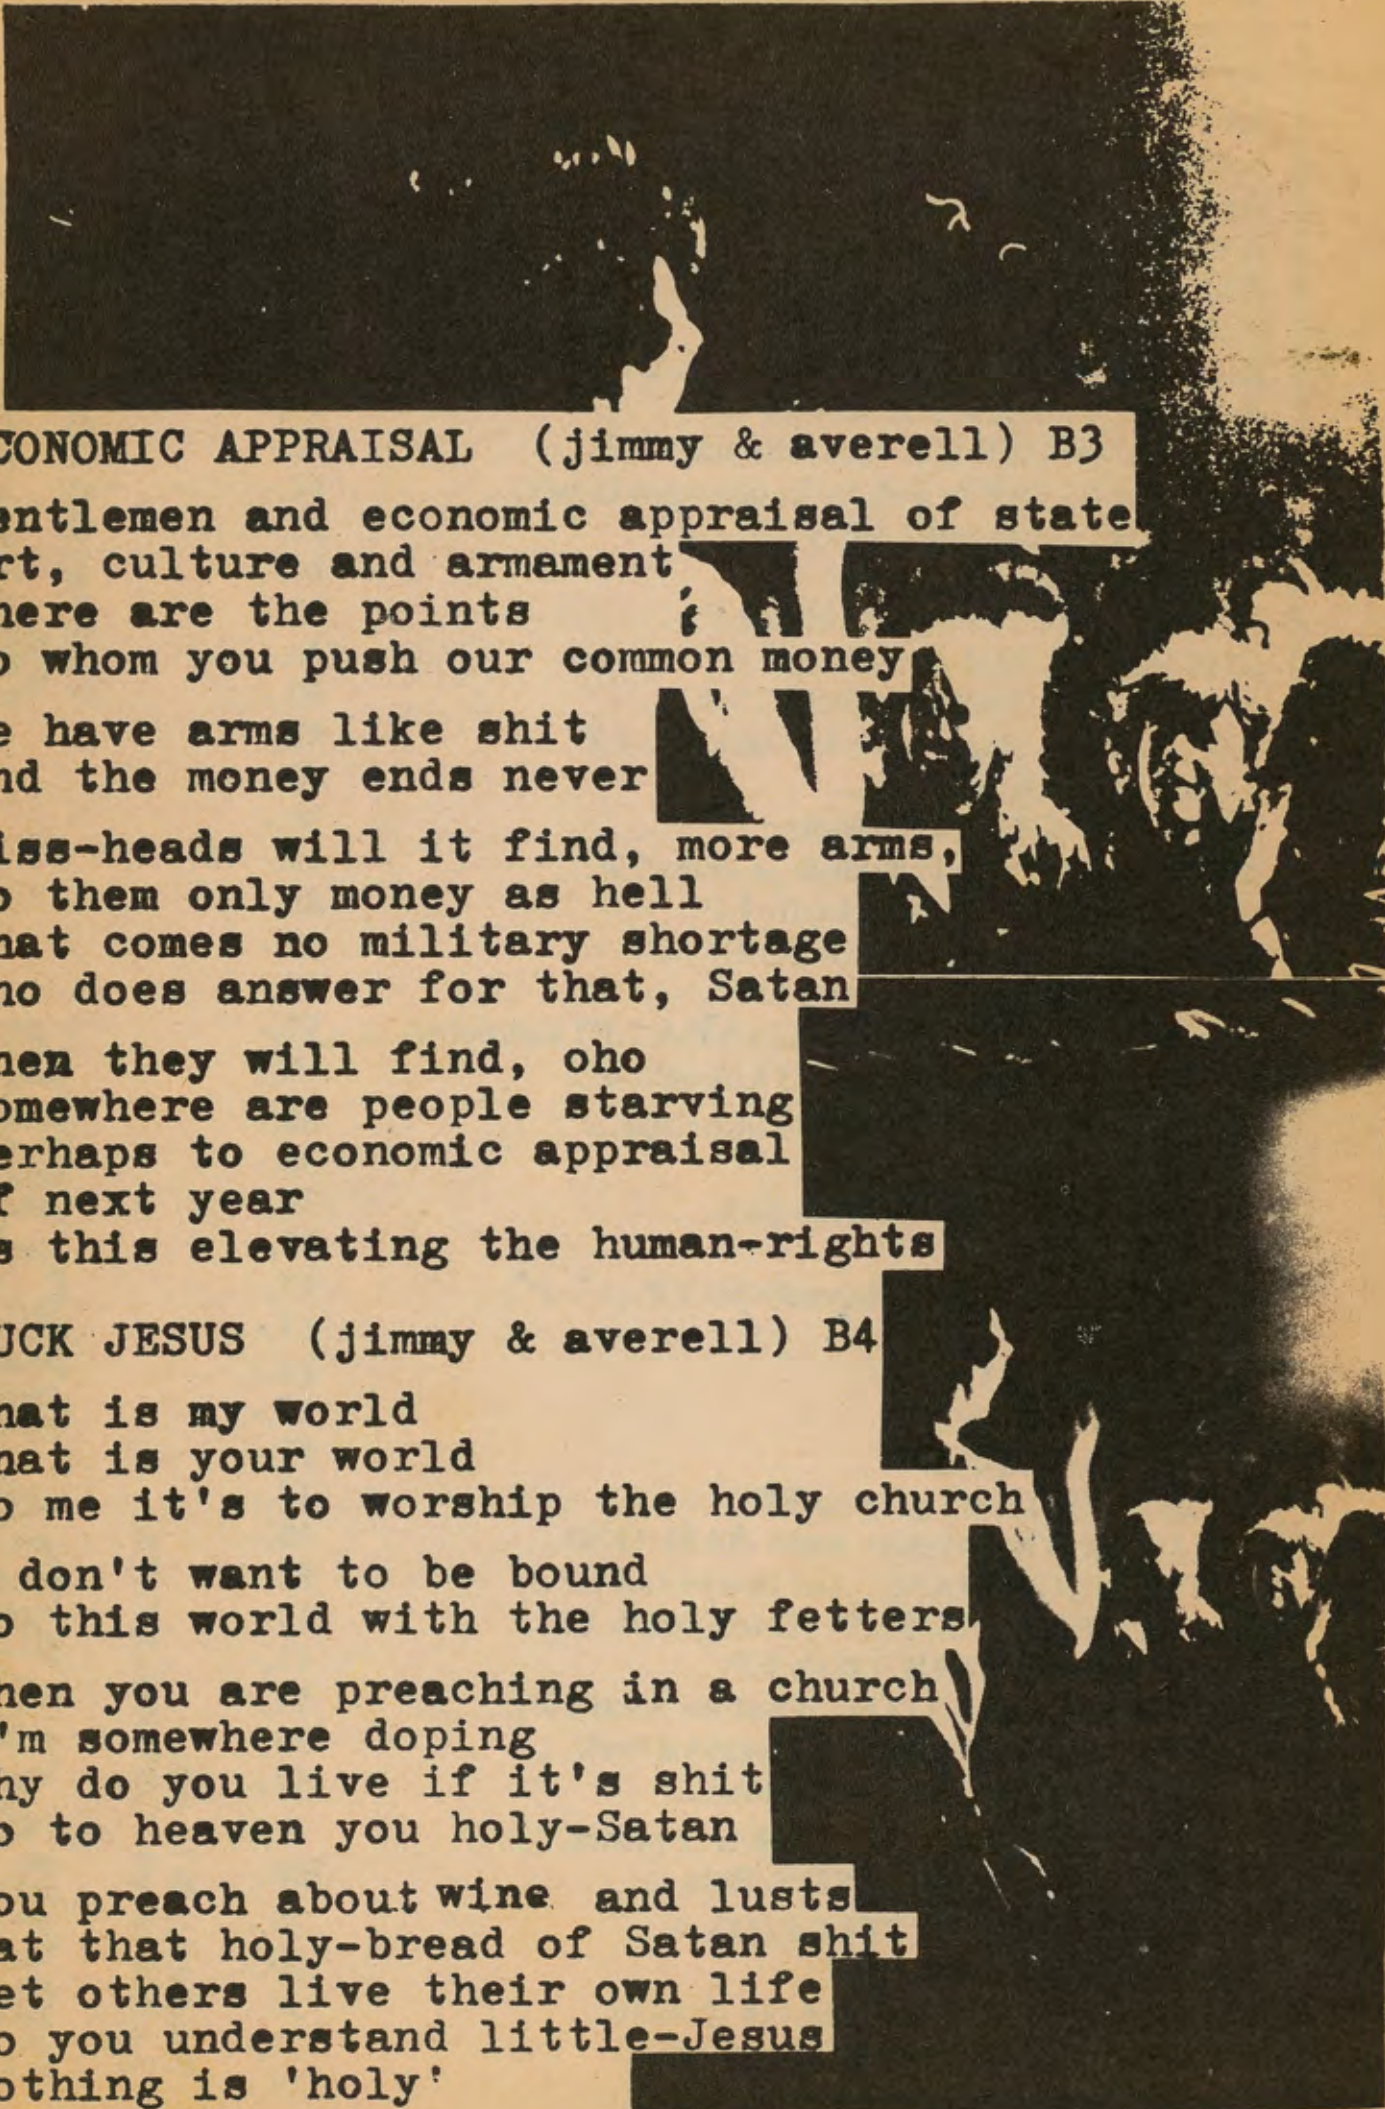

I'm not in job building houses
I'm not waiting for holidays
I'm not a spinal column of the state
I have no membership-card in my pocket

smell the shit
fuck off

I'm living only under the sins
small-jesus's waiting for this shit
let's take a cock to hand in church,
meet is not sold in the streets

echos of tomorrow are grey as a devil
I'm not interested in this
same shit in every morning, good morning
I'll try to breathe sometimes

KU-kuvat: Solli Aronen

ECONOMIC APPRAISAL (jimmy & averell) B3

gentlemen and economic appraisal of state
art, culture and armament

there are the points
to whom you push our common money

we have arms like shit
and the money ends never

piss-heads will it find, more arms,
to them only money as hell
that comes no military shortage
who does answer for that, Satan

then they will find, oho
somewhere are people starving
perhaps to economic appraisal
of next year
is this elevating the human-rights

FUCK JESUS (jimmy & averell) B4

what is my world
what is your world
to me it's to worship the holy church

I don't want to be bound
to this world with the holy fetters

when you are preaching in a church
I'm somewhere doping
why do you live if it's shit
go to heaven you holy-Satan

you preach about wine and lusts
eat that holy-bread of Satan shit
let others live their own life
do you understand little-Jesus
nothing is 'holy'
